

Certificate of constancy of performance

0336 - CPR - 24091656 - 006

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product(s)

Natural smoke and heat exhaust ventilator with intended use to be installed as a component of natural smoke and heat exhaust system

Specified by the commercial name(s) BLUESTEEL (THERM) XP / BLUECOIF (THERM) XP / BLUEBAC (THERM) XP

> Energ(y)(ies): PNEU + ACCES / TREUIL + ACCES / ELEC + ACCES

placed on the market under the name or trade mark

BLUETEK

Siège social : ZI Nord les Pins - 37230 Luynes

and produced in the manufacturing plant(s)

HEXADOME: ZI Nord les Pins - 37230 Luynes / Rue Marc Sequin - 63600 Ambert

SIH: Le Haras - 57430 Sarralbe

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of standard(s)

EN 12101-2:2003

under system 1 for the performances set out in this certificate are applied and that the factory production control conducted by the manufacturer is assessed to ensure the constancy of performance of the construction product

This certificate was first issued on 15th November 2006 under the Construction Products Directive 89/106/EEC (CPD) and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods, nor the manufacturing conditions in the plant are modified significantly. unless suspended or withdrawn by the notified product certification body.

TÜV Rheinland Nederland BV Westervoortsedijk 73, gebouw SB NL - 6827 AV Arnhem The Netherlands

Arnhem, 9th May 2016

C.C.M. van Houten, Operational Manager

Product range designation (§2*)

BLUEBAC ELEC + ACCES

Products alternatives concerned:

BLUEBAC ELEC + ACCES STD

Intended use (§3*): ☐ Facade

§1*: The full identification of the product is based on :

its order number and date of production indicated on the tracking sticker
 its full designation: product range designation + alternative + infill + dimensions

DOP_EN12101-2_BLUEBAC ELEC + ACCES

Name, registered trade name or trade mark and contact adress of manufacturer (§4*)

Name: BLUETEK (Siège social: ZI Nord les Pins - 37230 Luynes)

Production units locations: HEXADOME: H001-ZI Nord les Pins - 37230 Luynes/H002-Rue Marc Seguin - 63600 Ambert // SIH: S001-Le Haras - 57430 Sarralbe // SODILIGHT: S002-Route de Saulon - 21220 Gevrey-Chambertin

Product description (§3*)

- · Single opening flap, electric mechanism, opening angle 120°, installed on roof
- Polyester upstand Height mini 300mm
- STD : Without windshileds

Product Range: Dim. Com. mini: 1.1x1.1m: Dim. Com. max: 1.3x1.3m

Possible options : (§3*)

- Contactors open/close
- Fall protection system: Griddle without impact on aeraulic coefficient.
- Cross for roof access
- · Adapation for ladder
- \bullet Daily ventilation by half opening of one flap

Intended use of the construction product, in accordance with the applicable harmonised technical specification (§3*)

Maximum authorized inclination of the device :

- Hinges parallel to the ridge : 3° (5%)

Hinges perpendicular to the ridge for S/M/L models: 25°(46%) (inclination limit 15° or 26% in case of coupling between pneumatic and electric cylinder)

Hinges perpendicular to the ridge for XL model : 10°(18%)

System or systems of assessment and verification of constancy of the construction product : (§6 7 *)

The certificate of constancy of performance issued by the notified product certified body TÜV N° 0336 in accordance to the Annex ZA of the norm EN 12 101-2 2003 following system 1 on the basis of initial inspection of the manufacturing plant and of factory production control and continuous surveillance, assessment and evaluation of factory production control. Certificate N°0336-RPC-24091656-006

Declared performances (§9*)
