7	

Fixation du tympan  
Fixing of the tympanum

Monter les deux tympanum sur les extrémités de la costière en utilisant les pré-perçages de la rive et du porteur.  
Fix the two tympanum on the upstand using the pre-drilled holes of the edge section and holder.

## Fixation du porteur

Fixing the holder

Si un ou plusieurs ouvrants sont intégrés dans la voûte, prendre en compte la notice de montage des ouvrants concernés

If one or several opening frames are integrated on the vault, use the assembly instructions of the latter.

Fixer les porteurs sur la rive et la costière en utilisant les pré-perçages  
Fix the holders on the edge section and the upstand using the pre-drilled holes.

## Fixation des renforts

Fixing of reinforcements

Fixer les renforts sur les porteurs en utilisant les pré-perçages

Fix the reinforcements on the holders using the pre-drilled holes

## Fixation des plaques de polycarbonate

Fixing of the polycarbonate panels

Placer les plaques de polycarbonate **face traitée anti-uv vers l'extérieur et retirer le film de protection**

Place uv-resistant side outwards and remove the protective film

## Serreur de tympan et reprise de serreur
