

# SOPRACLEANER

**SOPRACLEANER** is a degreaser and tar remover. **SOPRACLEANER** is a new generation of cleaning product, vegetable-based, ensuring a high efficiency, safety for users, environment and health.

**SOPRACLEANER** is formulated without petroleum solvents, without halogen solvents, no VOC, not classified as hazardous substances, non flammable.

**SOPRACLEANER** is used to dissolve tars, bitumens, oils, greases and dirty oil on mechanical parts, industrial materials, car bodies, floors, public works vehicles and tar tank. Removes inks from machines.

## User application

### Very efficient dissolution of bitumen:

- Cleaning traces of bitumen on the white reflective protection of the **SOPRASTAR** membrane on concrete and metal parts.
- Cleaning tools.

Do not use other product than **SOPRACLEANER** (paint remover, white spirit or other petroleum solvents) on **SOPRASTAR** membrane, due to the risk of damaging the white reflective protection.

## Characteristics

	<b>SOPRACLEANER</b>
Aspect	Transparent yellowish liquid
Density at 20°C	0,87 – 0,89
Flash point	200°C
Composition	Vegetable oil derivative

## Packaging

	<b>SOPRACLEANER</b>
Packaging	Cans of 5 liters Sprayer of 500 ml
Storage	The product must be stored in closed original packaging and in a ventilated area.

## TECHNICAL DATA SHEET

n° DTE 14-058\_EN cancels and replaces N° DTE 12-027\_EN

### Installation

---

**SOPRACLEANER** is a degreaser and tar remover used pure cold with a brush or sprayer. Leave for a few moment then wipe with a clean cloth. Repeat if necessary.

By soaking: Dip the pieces, leave for a few moment, then wipe with a cloth.

Do not apply **SOPRACLEANER** on bitumen and/or "hot" tools. Do not apply directly on a bituminous membrane which not has protection.

May leave a thin oily film that can be rinsed-off with water and/or wiped with a clean and absorbent cloth.

### Special indications

---

#### **Hygiene, health and environment:**

The product does not contain any substance likely to be detrimental to health or to environment and complies with generally admitted Health and Safety Requirements. For further information, please refer to relevant Safety Data Sheet.

#### **Quality control:**

**SOPREMA** has always attached the highest importance to the quality of its products, to the respect of environment and men.

For this reason, we apply an integrated management of the Quality and Environment certified **ISO 9001** and **ISO 14001**.
