TPO CLEANER

Technical Data Sheet N° MISIT0129.a
Cancels and replaces MISIT0129-18.07 (EN)

PRODUCT INFORMATION

DESCRIPTION
TPO CLEANER is a ready-to-use solvent for surface cleaning of polyolefin membranes Flagon TPO.
TPO CLEANER is to be considered an activator of welding, therefore should not be used for the surface washing of Flagon TPO membranes which have been laid for a long time and on which a layer of dirt has deposited. TPO CLEANER is to be used after washing the TPO membrane with special neutral detergents to reactivate the weldability.

APPLICATION METHOD
TPO CLEANER is applied with a rag, clean quickly the surface of the Flagon TPO membrane without stopping.
Wait for the complete evaporation before proceeding with the welding operations.
Do not insist excessively locally with the application of the TPO CLEANER to avoid any damage to the skin of TPO membrane.

USE
- Suitable for activating the weldability of Flagon TPO membranes

SPECIFIC INSTRUCTIONS
- TPO Cleaner is highly flammable both in liquid and in steam. Avoid contact with sources of heat, flames or other sources of ignition, keep away from fire. (see safety data sheet)
- TPO Cleaner can not be used in contact with polystyrene panels.
- Follow the instructions and directions on the label and the product safety data sheet.
- Do not use for extended cleaning surfaces but as activator.

CHARACTERISTIC
Refer to the safety data sheet.

STORAGE AND PACKAGING

Storage conditions	Store in a dry and well-ventilated place
Packaging	3 litres can

NOTE
Laying by installer approved by SOPREMA srl.

UNI EN ISO 9001:2000 (Quality Company System) and UNI EN ISO 14001 (environmental system) certified quality system.

Rev. 23.07.2018/EN

The data herewith indicated are not exhaustive and Soprema srl may modify them without previous notice. Soprema srl, has the right to modify the product at any time and without previous notice, in any of its aspect, and to stop its production. In case of dispute the official version of this sheet product information will be provided directly by the technical office Soprema srl stamped and signed by the technicial manager. Soprema srl reserves the right, as technology and know-how progress, to modify without warning the composition and conditions of use of its materials, and subsequently their price. As a result, orders shall only be accepted on the basis of the terms and technical specifications applicable at the time of receipt.
